V. ADDITIONAL OPTIONS AND DEADLINES

1. Potential partners (patrons, sponsors) in the SET organization can be reputable and successful organizations and institutions, as well as companies that carry out the mission of promoting, affirming and developing entrepreneurship; advocating and contributing to the development of the community and the individual, and, by their own example, promoting entrepreneurship as an important tool for the development and progress of society.

2. Contracts concluded by 31.01.2026. will cover all specified forms, types and amounts of promotion. After 01.02.2026, the possibility of media promotion will include reduced promotion funds, in accordance with the terms of implementation of the "Media Plan" of the Summit. The deadline for concluding a sponsorship / donation contract is 28.02.2026.

3. The sponsor from abroad pays 70% of the sponsorship value to the organizer's current account, while 30% of the funds are "paid" by broadcasting their own TV spot/teleop on national television in the country where the sponsor is based, with the visual and audio final message of the spot/teleop: "Sponsor of the Trebinje Energy Summit 2026". Therefore, the sponsor pays this value (30%) to the national TV for broadcasting the said spot/teleop (according to the national TV price list). This provision does not apply to sponsors.

4. Arrangements are negotiated in the order of expressed interest.

5. The sponsor delivers the company logo (in print and web formats) to the Organizer within 8 (eight) days after signing the contract, and: the conceptual design of the advertisement, billboard/banner, free-standing banner, promo

counter and other promotional material, the sponsor delivers by a deadline to be determined by the organizer, to the address in Trebinje.

6. All promotional materials, props and elements are positioned and set up by the organizer. When setting up and positioning, the organizer will try to ensure that all elements are placed in particularly visible and busy places. The location and arrangement of positions will also be influenced by the order of ordering / contracting services.

7. Branding of the space and/or bus should be carried out no later than 72 (seventy-two) hours before the start of SET, and all placed elements should be removed no later than 12 (twelve) hours after the end of the event in the specific space. During branding, there must be no damage to the space and inventory in the space / on the equipment that is being branded. In the event of such damage, the client is obliged to repair the damage and/or compensate the owner of the space / equipment for the estimated damage within the shortest possible time.

8. VAT in the amount of 17% is not included in the above values and will be calculated on the invoice / bill.

9. All relationships between sponsors/patrons and the organizers will be precisely defined in the Sponsorship Contract/Patronage Agreement.

If the structure of the Sponsorship/SPONSORSHIP Offer does not meet your marketing needs, ask us to provide you with our diverse Offer for promotion and advertising at SET 2026 or Offer for conducting promotions and presentations within the official SET 2026 Program Schedule / Agenda.

Don't miss the opportunity to present your company/organization, business and offer at the largest regional energy business event in 2026.
